870 Sec. 37. Subsection (a) of section 7-130g of the general statutes is  
871 repealed and the following is substituted in lieu thereof (*Effective from*  
872 *passage*):

873 (a) The authority may issue bonds from time to time in its  
874 discretion, subject to the approval of the legislative body when  
875 required by the provisions of sections 7-130a to 7-130w, inclusive, for  
876 the purpose of paying all or any part of the cost of acquiring,

880 including, without limiting the generality of the foregoing, bonds  
881 payable as to principal and interest: (1) From its revenues generally; (2)  
882 exclusively from the income and revenues of a particular project; or (3)  
883 exclusively from the income and revenues of certain designated  
884 projects, whether or not they are financed in whole or in part from the  
885 proceeds of such bonds. Any such bonds may be additionally secured  
886 by a pledge of any grant or contribution from a participating  
887 municipality, the state or any political subdivision, agency or  
888 instrumentality thereof, any federal agency or any private corporation,  
889 copartnership, association or individual, or a pledge of any income or

893 130a to 7-130w, inclusive, the authority shall fix, charge and collect  
894 rates, rents, fees and other charges in accordance with the second  
895 sentence of section 7-130i. Neither the commissioners of the authority  
896 nor any person executing the bonds shall be liable personally on the

898 obligations of the authority, and such bonds and obligations shall so  
899 state on their face, shall not be a debt of the state or any political  
900 subdivision thereof, except when the authority or a participating  
901 municipality which in accordance with section 7-130s has guaranteed  
902 payment of principal and of interest on the same, and no person other  
903 than the authority or such a public body shall be liable thereon, nor  
904 shall such bonds or obligations be payable out of any funds or

907 expressly provided by other laws, such bonds shall not constitute an  
908 indebtedness within the meaning of any statutory limitation on the  
909 indebtedness of any participating municipality. Bonds of the authority  
910 are declared to be issued for an essential public and governmental  
911 purpose. In anticipation of the sale of such revenue bonds the  
912 authority may issue negotiable bond anticipation notes and may renew  
913 the same from time to time, but the maximum maturity of any such  
914 note, including renewals thereof, shall not exceed five years from the  
915 date of issue of the original note. Such notes shall be paid from any  
916 revenues of the authority available therefor and not otherwise  
917 pledged, or from the proceeds of sale of the revenue bonds of the  
918 authority in anticipation of which they were issued. The notes shall be  
919 issued in the same manner as the revenue bonds. Such notes and the  
920 resolution or resolutions authorizing the same may contain any  
921 provisions, conditions or limitations which a bond resolution of the  
922 authority may contain.

928 of each municipality for the purpose of paying all or any part of the  
929 cost of any project or activity, including acquisition of necessary land  
930 and equipment therefor, entered into jointly. The municipalities may  
931 issue such types of bonds as they may determine, including, without  
932 limiting the generality of the foregoing, bonds payable as to principal  
933 and interest: (1) From their revenues generally; (2) exclusively from the  
934 income and revenues of a particular project; or (3) exclusively from the  
935 income and revenues of certain designated projects, whether or not

946 rates, rents, fees and other charges. No person executing the bonds  
947 shall be liable personally on the bonds by reason of the issuance  
948 thereof. The bonds and other obligations of the municipalities, and  
949 such bonds and obligations shall so state on their face, shall not be a  
950 debt of the state or any political subdivision thereof except the  
951 municipalities issuing such bonds, and no person other than the  
952 municipalities shall be liable thereon, nor shall such bonds or  
953 obligations be payable out of any funds or properties other than those  
954 of a participating municipality. Except to the extent and for the  
955 purpose therein expressly provided by other laws, such bonds shall  
956 not constitute an indebtedness within the meaning of any statutory  
957 limitation on the indebtedness of any participating municipality.  
958 Bonds of participating municipalities are declared to be issued for an  
959 essential public and governmental purpose. In anticipation of the sale  
960 of such revenue bonds the municipalities may issue negotiable bond  
961 anticipation notes and may renew the same from time to time, but the  
962 maximum maturity of any such note, including renewals thereof, shall  
963 not exceed five years from the date of issue of the original note. Such  
964 notes shall be paid from any revenues of the municipalities available  
965 therefor and not otherwise pledged, or from the proceeds of sale of the  
966 revenue bonds of the municipalities in anticipation of which they were  
967 issued. The notes shall be issued in the same manner as the revenue  
968 bonds. Such notes and the resolution or resolutions authorizing the

972 repealed and the following is substituted in lieu thereof (*Effective from*  
973 *passage*):

983 the purpose of paying all or any part of the cost of acquiring,  
984 purchasing, constructing, reconstructing, improving or extending any  
985 project and acquiring necessary land and equipment therefor. The port  
986 authority may issue such types of bonds as it may determine,  
987 including, without limiting the generality of the foregoing, bonds  
988 payable as to principal and interest: (1) From its revenues generally; (2)  
989 exclusively from the income and revenues of a particular project; or (3)  
990 exclusively from the income and revenues of certain designated  
991 projects, whether or not they are financed in whole or in part from the  
992 proceeds of such bonds. Any such bonds may be additionally secured  
993 by a pledge of any grant or contribution from a participating  
994 municipality, the state or any political subdivision, agency or  
995 instrumentality thereof, any federal agency or any private corporation,  
996 copartnership, association or individual, or a pledge of any income or  
997 revenues of the port authority, or a mortgage on any project or other  
998 property of the port authority, provided such pledge shall not create  
999 any liability on the entity making such grant or contribution beyond  
1000 the amount of such grant or contribution. Whenever and for [so] as

1004 with section 7-329i. Neither the members of the port authority nor any  
1005 person executing the bonds shall be liable personally on the bonds by  
1006 reason of the issuance thereof. The bonds and other obligations of the  
1007 port authority, and such bonds and obligations shall so state on their

1008 face, shall not be a debt of the state or any political subdivision thereof,  
1009 except when the port authority or a participating municipality which  
1010 in accordance with section 7-329r, has guaranteed payment of  
1011 principal and of interest on the same, and no person other than the

1014 other than those of the port authority or such a participating  
1015 municipality. Except to the extent and for the purpose therein  
1016 expressly provided by other laws, such bonds shall not constitute an  
1017 indebtedness within the meaning of any statutory limitation on the  
1018 indebtedness of any participating municipality. Bonds of the port  
1019 authority are declared to be issued for an essential public and  
1020 governmental purpose. In anticipation of the sale of such revenue  
1021 bonds the port authority may issue negotiable bond anticipation notes  
1022 and may renew the same from time to time, but the maximum  
1023 maturity of any such note, including renewals thereof, shall not exceed  
1024 five years from the date of issue of the original note. Such notes shall  
1025 be paid from any revenues of the port authority available therefor and  
1026 not otherwise pledged, or from the proceeds of sale of the revenue  
1027 bonds of the port authority in anticipation of which they were issued.  
1028 The notes shall be issued in the same manner as the revenue bonds.  
1029 Such notes and the resolution or resolutions authorizing the same may  
1030 contain any provisions, conditions or limitations which a bond  
1031 resolution of the port authority may contain.

1050 extent, in addition to such evaluations as required under subsection (a)  
1051 of this section, a revision of the last preceding evaluation reflecting the  
1052 increase in potential municipal liability under such system. If such

1690 Sec. 71. Subdivision (15) of section 10a-109c of the general statutes is  
1691 repealed and the following is substituted in lieu thereof (*Effective from*  
1692 *passage*):

1693 (15) "Minimum state operating provision" means the commitment of  
1694 the state to appropriate, annually, an amount for the university for  
1695 operations after receiving a request from the university therefor and  
1696 consideration of other amounts available to the university for its  
1697 operations which amount so appropriated shall be consistent with the  
1698 university continuing to operate in furtherance and pursuant to the  
1699 provisions of section 2 of article eighth of the Constitution of the state  
1700 and applicable law as an institution dedicated to the excellence in  
1701 higher education, including the operation of the components of UConn  
1702 2000 at Storrs and elsewhere in the state pursuant to section 10a-109e;

1703 provided, [however,] nothing in sections 10a-109a to 10a-109y,  
1704 inclusive, shall be construed to preclude the state from appropriating a  
1705 lower or higher amount than the amount appropriated in the previous  
1706 fiscal year [so] as long as the Appropriation Act provides and  
1707 determines that the university can continue to operate as an institution  
1708 dedicated to excellence in higher education and such amount so  
1709 appropriated shall then constitute the minimum state operating  
1710 provision.

1711 Sec. 72. Subsections (c) and (d) of section 10a-109e of the general  
1712 statutes are repealed and the following is substituted in lieu thereof  
1713 (*Effective from passage*):

1714 (c) The amount of the state debt service commitment in each fiscal  
1715 year shall be pledged by the university for the punctual payment of  
1716 special debt service requirements as the same arise and shall become  
1717 due and payable. As part of the contract of the state with the holders of  
1718 the securities secured by the state debt service commitment and  
1719 pursuant to section 10a-109u, appropriation of all amounts of the state  
1720 debt service commitment is hereby made out of the resources of the  
1721 General Fund and the Treasurer shall pay such amount in each fiscal  
1722 year, to the paying agent on the securities secured by the state debt  
1723 service commitment or otherwise as the Treasurer shall provide. The  
1724 university shall be entitled to rely on the amount of the state debt  
1725 service commitment and minimum state operating provision as and  
1726 for assured revenues in any financing transaction proceeding,  
1727 provided, to the extent any such proceeding includes reliance on such  
1728 state debt service commitment and such minimum state operating  
1729 provision, the university commits to a rate covenant and covenants, in  
1730 substance, with the state and the holders of its securities to the effect  
1731 that [so] as long as any securities thereunder are outstanding that it has  
1732 established and will charge, collect and increase, from time to time,  
1733 and in time tuition fees and charges for its educational services, its  
1734 auxiliary enterprises, including dormitory housing, food services and  
1735 sale of textbooks and use of the physical university plant and for all  
1736 other services and goods provided by the university, the amount of

1737 which, together with other assured revenues or other revenues  
1738 otherwise available to the university including proceeds available from  
1739 the Special External Gift Fund shall in each of its fiscal years be  
1740 sufficient to pay when due, the special debt service requirements on  
1741 outstanding securities and to permit the university to operate and  
1742 maintain itself as an institution dedicated to excellence in higher  
1743 education and to operate and maintain the physical university plant in  
1744 sound operating condition and to otherwise permit the performance of  
1745 all covenants included in the financing documents.

1746 (d) With respect to UConn 2000 and within the authorized funding  
1747 amount, the university may, from time to time, and shall whenever  
1748 appropriate or necessary, revise, delete and add a particular project or  
1749 projects, provided (1) a formal approving vote of its board of trustees  
1750 shall be needed for a material revision, deletion or addition dictated by  
1751 a change in university planning as determined by its board of trustees  
1752 or otherwise necessary because of reasons beyond the control of the  
1753 university, (2) any material revision shall be subject only to such  
1754 formal approval of the board of trustees [so] as long as the board finds  
1755 and determines that such revision is consistent with the intent or  
1756 purpose of the original project, (3) a material addition or deletion shall  
1757 be conditioned not only upon such formal approval of the board of  
1758 trustees but also upon a request by the board of trustees for, and  
1759 enactment of, a subsequent public or special act approving such  
1760 addition or deletion, if such addition is to add a project not outlined in  
1761 subsection (a) of this section or the deletion is the deletion of a project  
1762 outlined in subsection (a) of this section, and (4) no revision, addition  
1763 or deletion shall reduce the amount of any state debt service  
1764 commitment. Further, with respect to UConn 2000 and subject to the  
1765 limitations in the authorized funding amount, the university may  
1766 determine the sequencing and timing of such project or projects, revise  
1767 estimates of cost and reallocate from any amounts estimated in  
1768 subdivision (a) of this section, for one or more projects to one or more  
1769 other projects then constituting a component of UConn 2000 [so] as  
1770 long as, at the time of such reallocation, it has found that any such  
1771 project to which a reallocation is made has been revised or added in

1772 accordance with this section and such project from which a  
1773 reallocation is made either has been so revised or added and can be  
1774 completed within the amounts remaining allocated to it, or has been so  
1775 deleted. University actions under this section shall be included in  
1776 reports to the General Assembly under section 10a-109y.

1777 Sec. 73. Subsection (g) of section 10a-109g of the general statutes is  
1778 repealed and the following is substituted in lieu thereof (*Effective from*  
1779 *passage*):

1780 (g) The proceeds of the securities of any issue shall be used solely  
1781 for the purpose or purposes identified in the master indenture, and  
1782 shall be disbursed in such manner and under such restrictions, if any,  
1783 as the university may provide in the resolution authorizing the  
1784 issuance of such securities or in the indenture or resolution securing  
1785 the same. The university shall not lease or finance or lease-finance any  
1786 land or building outside the Storrs campus through any other state  
1787 agency or quasi-public agency other than those leases, financings or  
1788 lease purchases in the ordinary course of its activities and provided the  
1789 annual expenditure thereof during the period of agreements related  
1790 thereto whether expressed as rent, debt service, lease purchase  
1791 payments or the like does not exceed for each item which is the subject  
1792 matter of the lease, finance or lease-finance agreement, fifty thousand  
1793 dollars in any year and such limitation shall apply [so] as long as the  
1794 university is authorized in accordance with subsection (a) of this  
1795 section to issue securities under sections 10a-109a to 10a-109y,  
1796 inclusive. The resolution providing for the issuance of securities, and  
1797 any indenture or resolution securing such securities, may contain such  
1798 limitations upon the issuance of additional securities as the university  
1799 may deem proper, and such additional securities shall be issued under  
1800 such restrictions and limitations as may be prescribed by such  
1801 indenture or resolution, provided, no such resolution or indenture  
1802 shall include a covenant committing the university to the issuance of  
1803 additional securities secured by a pledge of the state debt service  
1804 commitment. The university may provide for the replacement of any  
1805 securities which become mutilated, or are destroyed, stolen or lost.

1806 Securities may be issued under sections 10a-109a to 10a-109y,  
1807 inclusive, without obtaining the consent of any department, division,  
1808 commission, board, bureau, or agency of the state and without any  
1809 other proceedings or the happening of any other conditions or things  
1810 other than those proceedings, conditions or things which are  
1811 specifically required by sections 10a-109a to 10a-109y, inclusive.

1813 following is substituted in lieu thereof (*Effective from passage*):

1814 The university shall have perpetual succession as a body politic and  
1815 corporate and an instrumentality and agency of the state. Such  
1816 succession shall continue until the existence of the university is  
1817 terminated by law, but no such law shall take effect [so] as long as the  
1818 university shall have securities and contracts outstanding unless  
1819 adequate provision by law is made for the discharge of the obligations  
1820 of the university to the holders of such securities and for the protection  
1821 of those entering into contracts with the university. Upon termination  
1822 or dissolution of the university pursuant to law, all of its rights and  
1823 properties shall pass to and be vested in its successor entity and if  
1824 there is no successor entity, in the state.

1830 of facilities of The University of Connecticut Health Center or any  
1831 other revenue of The University of Connecticut Health Center be paid  
1832 to the State Treasurer for the payment of debt service on any bonds  
1833 issued by the state for The University of Connecticut Health Center,  
1834 any revenues pledged by the board of trustees pursuant to this section  
1835 shall be applied first to the extent necessary to fulfill the obligations for  
1836 which such revenues are pledged, and only thereafter to the State  
1837 Treasurer.

1908 for a project, to the extent provided in the resolution of the authority  
1909 authorizing the issuance thereof, and (3) any other moneys which may  
1910 be made available to the authority for the purpose of such funds from  
1911 any other source or sources. The moneys held in or credited to any  
1912 special capital reserve fund established under this section, except as  
1913 hereinafter provided, shall be used solely for the payment of the  
1914 principal of and interest, when due, whether at maturity or by  
1915 mandatory sinking fund installments, on bonds of the authority  
1916 secured by such capital reserve fund as the same become due, the  
1917 purchase of such bonds of the authority, the payment of any  
1918 redemption premium required to be paid when such bonds are  
1919 redeemed prior to maturity, including in any such case by way of  
1920 reimbursement of a provider of bond insurance or of a credit or  
1921 liquidity facility that has paid such amounts; provided the authority  
1922 shall have power to provide that moneys in any such fund shall not be  
1923 withdrawn therefrom at any time in such amount as would reduce the  
1924 amount of such funds to less than the maximum amount of principal  
1925 and interest becoming due by reasons of maturity or a required  
1926 sinking fund installment in the then current or any succeeding  
1927 calendar year on the bonds of the authority then outstanding or the  
1928 maximum amount permitted to be deposited in such fund by the  
1929 Internal Revenue Code of 1986, or any subsequent corresponding  
1930 internal revenue code of the United States, as from time to time  
1931 amended, to permit the interest on [said] such bonds to be excluded  
1932 from gross income for federal tax purposes and secured by such  
1933 special capital reserve fund, such amount being herein referred to as  
1934 the "required minimum capital reserve", except for the purpose of  
1935 paying such principal of, redemption premium and interest on such  
1936 bonds of the authority secured by such special capital reserve  
1937 becoming due and for the payment of which other moneys of the  
1938 authority are not available. The authority may provide that it shall not  
1939 issue bonds secured by a special capital reserve fund at any time if the

1940 required minimum capital reserve on the bonds outstanding and the  
1941 bonds then to be issued and secured by the same special capital  
1942 reserve fund at the time of issuance, unless the authority, at the time of  
1943 the issuance of such bonds, shall deposit in such special capital reserve  
1944 fund from the proceeds of the bonds so to be issued, or otherwise, an  
1945 amount which, together with the amount then in such special capital  
1946 reserve fund, will be not less than the required minimum capital  
1947 reserve. On or before December first, annually, there is deemed to be  
1948 appropriated from the state General Fund such sums, if any, as shall be  
1949 certified by the chairman or vice-chairman of the authority to the  
1950 Secretary of the Office of Policy and Management and the Treasurer of  
1951 the state, as necessary to restore each such special capital reserve fund  
1952 to the amount equal to the required minimum capital reserve of such  
1953 fund, and such amounts shall be allotted and paid to the authority. For  
1954 the purpose of evaluation of any such special capital reserve fund,  
1955 obligations acquired as an investment for any such fund shall be  
1956 valued at market. Nothing contained in this section shall preclude the  
1957 authority from establishing and creating other debt service reserve  
1958 funds in connection with the issuance of bonds or notes of the  
1959 authority which are not special capital reserve funds. Subject to any  
1960 agreement or agreements with holders of outstanding notes and bonds  
1961 of the authority, any amount or amounts allotted and paid to the  
1962 authority pursuant to this section shall be repaid to the state from  
1963 moneys of the authority at such time as such moneys are not required  
1964 for any other of its corporate purposes and in any event shall be repaid  
1965 to the state on the date one year after all bonds and notes of the  
1966 authority theretofore issued on the date or dates such amount or  
1967 amounts are allotted and paid to the authority or thereafter issued,  
1968 together with interest on such bonds and notes, with interest on any  
1969 unpaid installments of interest and all costs and expenses in  
1970 connection with any action or proceeding by or on behalf of the  
1971 holders thereof, are fully met and discharged. No bonds secured by a  
1972 special capital reserve fund shall be issued to pay project costs unless  
1973 the authority is of the opinion and determines that the revenues from  
1974 the project shall be sufficient (A) to pay the principal of and interest on

1975 the bonds issued to finance the project, (B) to establish, increase and  
1976 maintain any reserves deemed by the authority to be advisable to  
1977 secure the payment of the principal of and interest on such bonds, (C)  
1978 to pay the cost of maintaining the project in good repair and keeping it  
1979 properly insured, and (D) to pay such other costs of the project as may  
1980 be required.

1981 Sec. 79. Subsection (a) of section 10a-203 of the 2006 supplement to  
1982 the general statutes is repealed and the following is substituted in lieu  
1983 thereof (*Effective from passage*):

1984 (a) Said corporation shall be governed and all of its corporate  
1985 powers exercised by a board of directors which shall consist of  
1986 fourteen members, as follows: The chairperson of the Board of  
1987 Governors of Higher Education and the Commissioner of Higher  
1988 Education; seven public members appointed by the Governor, at least  
1989 one of whom shall represent the private colleges, and commencing  
1990 with the next regular appointments made on and after July 1, 1984, at  
1991 least one of whom shall be a financial aid officer at an eligible  
1992 institution and at least one of whom shall be a person having a  
1993 favorable reputation for skill, knowledge and experience in  
1994 management of a private company or lending institution at least as  
1995 large as the corporation and all of whom shall be electors of this state;  
1996 one public member appointed by the board of directors, who shall  
1997 have, through education or experience, an understanding of relevant  
1998 accounting principles and practices, financial statements and audit  
1999 committee functions and knowledge of internal controls, [whom] who  
2000 shall be an elector of this state; two members from the House of  
2001 Representatives, one appointed by the speaker of the House of  
2002 Representatives and one appointed by the minority leader of the  
2003 House of Representatives; and two members from the Senate, one  
2004 appointed by the president pro tempore of the Senate and one  
2005 appointed by the minority leader of the Senate. Those members who  
2006 are appointed by the Governor and by the board of directors shall  
2007 serve for terms of four years each from July first in the year of their  
2008 appointment and until their successors have been appointed. Those

2009 members who are appointed by the speaker of the House of  
2010 Representatives, the minority leader of the House of Representatives,  
2011 the president pro tempore of the Senate and the minority leader of the  
2012 Senate shall be appointed for terms of two years from January fifteenth  
2013 in the year of their appointment. The term of each appointed member  
2014 of the board shall be coterminous with the term of the appointing  
2015 authority or until a successor is chosen, whichever is later. The board  
2016 of directors shall elect, from its own members each year, a chairperson  
2017 and a vice-chairperson who shall serve for terms of one year and who  
2018 shall be eligible for reelection for successive terms. Vacancies shall be  
2019 filled for the unexpired term in the same manner as original  
2020 appointments. Directors shall receive no compensation for their  
2021 services but shall be reimbursed for their expenses actually and  
2022 necessarily incurred by them in the performance of their duties under  
2023 this chapter. Any member may designate in writing to the chairperson  
2024 of the board of directors a representative to act in the place of such  
2025 member at a meeting or meetings, with all rights and obligations at  
2026 such meeting as the member represented would have had at the  
2027 meeting.

2028 Sec. 80. Subsection (c) of section 10a-204b of the 2006 supplement to  
2029 the general statutes is repealed and the following is substituted in lieu  
2030 thereof (*Effective from passage*):

2031 (c) Any provision of any law to the contrary notwithstanding, any  
2032 bonds, notes or other obligations issued by the corporation pursuant to  
2033 this section shall be fully negotiable within the meaning and for all  
2034 purposes of title 42a, whether or not the form and character [to] so  
2035 qualify under the terms thereof, subject only to the provisions of the  
2036 authorizing resolution. Any such bonds are hereby made securities in  
2037 which public officers and public bodies of the state and its political  
2038 subdivisions, all insurance companies, credit unions, savings and loan  
2039 associations, investment companies, banking associations, trust  
2040 companies, executors, administrators, trustees and other fiduciaries  
2041 and pension, profit-sharing and retirement funds may properly and  
2042 legally invest funds, including capital in their control or belonging to

2043 them, and are hereby made securities which may properly and legally  
2044 be deposited with and received by any state or municipal officer or any  
2045 agency or political subdivision of the state for any purpose for which  
2046 the deposit of bonds or other obligations of the state is now or may  
2047 hereafter be authorized by law.

2048 Sec. 81. Subsection (b) of section 10a-206 of the 2006 supplement to  
2049 the general statutes is repealed and the following is substituted in lieu  
2050 thereof (*Effective from passage*):

2051 (b) Notwithstanding anything to the contrary provided in this  
2052 section, the corporation may make or guarantee a loan under terms  
2053 and conditions with respect to repayment which are more lenient or  
2054 more restrictive as to the borrower than those prescribed by this  
2055 section if the board determines that such action on its part conforms to  
2056 Title IV, Part B of the Higher Education Act of 1965, where applicable.

2057 Sec. 82. Section 10a-211 of the 2006 supplement to the general  
2058 statutes is repealed and the following is substituted in lieu thereof  
2059 (*Effective from passage*):

2060 The corporation and its corporate existence shall continue until  
2061 terminated by law upon a finding that there no longer exists any need  
2062 for such a corporation; provided no such law shall take effect [so] as  
2063 long as the corporation shall have bonds, notes or other obligations  
2064 outstanding. For the purpose of this section, any appropriation or  
2065 advance made to the corporation by the state, which has not been  
2066 repaid, shall not be deemed to be an outstanding obligation of the  
2067 corporation. Upon the dissolution of the corporation or the cessation of  
2068 its activities, all the assets, property and moneys of such corporation  
2069 shall be paid over, upon dissolution, to the respective undergraduate  
2070 scholarship funds of higher educational institutions located in  
2071 Connecticut, gifts to which are deductible or exempt from income,  
2072 estate and succession taxation as more specifically described in  
2073 Sections 170(c)(2), 501(c)(3) and 2055(a)(2) of the Internal Revenue  
2074 Code of 1986, or any subsequent corresponding internal revenue code  
2075 of the United States, as from time to time amended, and section 12-347,

2076 in such proportions as a majority of the board shall in its absolute  
2077 discretion determine.

2078 Sec. 83. Section 10a-221 of the general statutes is repealed and the  
2079 following is substituted in lieu thereof (*Effective from passage*):

2080 It is declared that, for the benefit of the people of the state, the  
2081 increase of their commerce, welfare and prosperity and the  
2082 improvement of their health and living conditions, it is essential that  
2083 this and future generations of [youth] youths be given the fullest  
2084 opportunity to learn and to develop their intellectual capacity and  
2085 skills. It is recognized that costs connected with collegiate education  
2086 are increasingly burdensome and that it is essential that students  
2087 attending institutions for higher education, and parents and others  
2088 responsible for paying the costs thereof, be provided with lower cost  
2089 financial assistance in order to help such students to achieve higher  
2090 levels of learning and development of their intellectual capacity and  
2091 skills. It is also recognized that Connecticut institutions for higher  
2092 education should be provided with appropriate additional means to  
2093 assist qualified students financially to achieve the required levels of  
2094 learning and development of their intellectual capacity and skills. It is  
2095 the purpose of this chapter and policy of the state to provide a measure  
2096 of financial assistance to students in or from the state, their parents and  
2097 others responsible for the costs of their education and an alternative  
2098 method to enable Connecticut institutions for higher education to  
2099 assist qualified students to attend such institutions, all to the public  
2100 benefit and good, to the extent and manner provided herein.

2101 Sec. 84. Subsection (f) of section 10a-253 of the general statutes is  
2102 repealed and the following is substituted in lieu thereof (*Effective from*  
2103 *passage*):

2104 (f) The corporation shall continue as long as it has contracts  
2105 outstanding and until its existence is terminated by law. Upon the  
2106 termination of the corporation, all of its rights and properties shall pass  
2107 to and be vested in the hospital [so] as long as the hospital is part of  
2108 The University of Connecticut and if not, in The University of

2109 Connecticut [so] as long as the university is a part of the state and if  
2110 not, in the state.

2111 Sec. 85. Section 12-74 of the general statutes is repealed and the  
2112 following is substituted in lieu thereof (*Effective from passage*):

2113 All property owned by any town or city, which is located in another  
2114 town and used for the purposes of an airport, shall be exempt from  
2115 taxation [so] as long as it continues to be used for such purposes and  
2116 [so] as long as the town in which it is located has the same privileges as  
2117 to the use of such airport as are possessed by the municipality owning  
2118 the same; but, if any such airport is leased to any person, association or  
2119 private corporation, or is used in such manner as to become a source of  
2120 profit to the municipality owning the same, the land so occupied and  
2121 situated in any adjoining town or towns shall thereupon be subject to  
2122 taxation.

2123 Sec. 86. Section 12-94 of the general statutes is repealed and the  
2124 following is substituted in lieu thereof (*Effective from passage*):

2125 The exemptions granted in sections 12-81, as amended, and 12-82 to  
2126 soldiers, sailors, marines and members of the Coast Guard and Air  
2127 Force, and their spouses, widows, widowers, fathers and mothers, and  
2128 to blind or totally disabled persons and their spouses shall first be  
2129 made in the town in which the person entitled thereto resides, and any  
2130 person asking such exemption in any other town shall annually make  
2131 oath before, or forward his or her affidavit to, the assessors of such  
2132 town, deposing that such exemptions, except the exemption provided  
2133 in subdivision (55) of section 12-81, as amended, if allowed, will not,  
2134 together with any other exemptions granted under said sections,  
2135 exceed the amount of exemption thereby allowed to such person. Such  
2136 affidavit shall be filed with the assessors within the period the  
2137 assessors have to complete their duties in the town where the  
2138 exemption is claimed. The assessors of each town shall annually make  
2139 a certified list of all persons who are found to be entitled to exemption  
2140 under the provisions of said sections, which list shall be filed in the  
2141 town clerk's office, and shall be prima facie evidence that the persons

2142 whose names appear thereon and who are not required by law to give  
2143 annual proof are entitled to such exemption [so] as long as they  
2144 continue to reside in such town; but such assessors may, at any time,  
2145 require any such person to appear before them for the purpose of  
2146 furnishing additional evidence, provided, any person who by reason  
2147 of [his] such person's disability is unable to so appear may furnish  
2148 such assessors a statement from [his] such person's attending  
2149 physician certifying that such person is totally disabled and is unable  
2150 to make a personal appearance and such other evidence of total  
2151 disability as such assessors may deem appropriate.

2152 Sec. 87. Subdivision (3) of subsection (j) of section 12-170aa of the  
2153 2006 supplement to the general statutes is repealed and the following  
2154 is substituted in lieu thereof (*Effective from passage*):

2155 (3) Any such resident entitled to a grant as provided in subdivision  
2156 (2) of this subsection shall be required to submit an application for  
2157 such grant to the assessor in the municipality in which such resident  
2158 resides at any time from February first to and including the fifteenth  
2159 day of May in the year in which such grant is claimed, on a form  
2160 prescribed and furnished for such purpose by the Secretary of the  
2161 Office of Policy and Management. Any such resident submitting an  
2162 application for such grant shall be required to present to the assessor,  
2163 in substantiation of such application, a copy of such resident's federal  
2164 income tax return, and if not required to file a federal income tax  
2165 return, such other evidence of qualifying income, receipts for money  
2166 received or cancelled checks, or copies thereof, and any other evidence  
2167 the assessor may require. Not later than the first day of July in such  
2168 year, the assessor shall submit to the Secretary of the Office of Policy  
2169 and Management (A) a copy of the application prepared by such  
2170 resident, together with such resident's federal income tax return, if  
2171 required to file such a return, and any other information submitted in  
2172 relation thereto, (B) determinations of the assessor concerning the  
2173 assessed value of the dwelling unit in such complex occupied by such  
2174 resident, and (C) the amount of such grant approved by the assessor.  
2175 Said secretary, upon approving such grant, shall certify the amount

2176 thereof and not later than the fifteenth day of September immediately  
2177 following submit approval for payment of such grant to the State  
2178 Comptroller. Not later than five business days immediately following  
2179 receipt of such approval for payment, the State Comptroller shall draw  
2180 his or her order upon the State Treasurer and the Treasurer shall pay  
2181 the amount of the grant to such resident not later than the first day of  
2182 October immediately following.

2183       Sec. 88. Subsection (a) of section 12-211 of the 2006 supplement to  
2184 the general statutes is repealed and the following is substituted in lieu  
2185 thereof (*Effective from passage*):

2186       (a) When by the laws of any other state or foreign country any  
2187 premium or income or other taxes or any fees, fines, penalties, licenses,  
2188 deposit requirements or other obligations, prohibitions or restrictions  
2189 are imposed upon Connecticut insurance companies doing business in  
2190 such other state or foreign country, or upon the authorized agents  
2191 thereof, which are in excess of such taxes, fees, fines, penalties,  
2192 licenses, deposit requirements or other obligations, prohibitions or  
2193 restrictions directly imposed upon insurance companies, or upon the  
2194 authorized agents thereof, of such other state or foreign country doing  
2195 business in Connecticut, [so] as long as such laws continue in force the  
2196 same obligations, prohibitions and restrictions of whatever kind,  
2197 computed by the Commissioner of Revenue Services on an aggregate  
2198 state-wide or foreign-country-wide basis, shall be imposed upon  
2199 insurance companies and authorized agents thereof of such other state  
2200 or foreign country doing business in Connecticut.

2201       Sec. 89. Subsections (a) and (b) of section 12-233 of the 2006  
2202 supplement to the general statutes are repealed and the following is  
2203 substituted in lieu thereof (*Effective from passage*):

2204       (a) (1) The commissioner shall examine the tax return filed under  
2205 this chapter by a taxpayer and may make such further audit or  
2206 investigation as the commissioner deems necessary, and if the  
2207 commissioner determines that there is a deficiency with respect to the  
2208 payment of any tax due under this chapter, the commissioner shall

2209 notify the taxpayer thereof. Except as otherwise provided in this  
2210 section, the commissioner shall (A) in the case of a return on which an  
2211 operating loss is not reported, not later than three years after the due  
2212 date for the filing of such return or not later than three years after the  
2213 date on which such return was received by [such] the commissioner,  
2214 whichever period expires later, or (B) in the case of a return on which  
2215 an operating loss is reported, not later than three years after the due  
2216 date or the date of receipt by the commissioner, whichever period  
2217 expires later, of the return on which a carry-over of such loss is fully  
2218 utilized or deemed fully utilized because such loss is not available for  
2219 deduction in any subsequent income year, examine it and, in case any  
2220 error is disclosed by such examination, shall mail a notice of deficiency  
2221 assessment to the taxpayer. Where, within the sixty-day period ending  
2222 on the day on which the time prescribed in this section for mailing a  
2223 notice of deficiency assessment for any income year would otherwise  
2224 expire, the commissioner receives a written document signed by such  
2225 taxpayer showing that such taxpayer owes an additional amount of tax  
2226 for such income year, the commissioner then shall have up to sixty  
2227 days after the day such written document is received in which to mail  
2228 a notice of deficiency assessment.

2229 (2) A notice of deficiency assessment may be mailed to the taxpayer  
2230 at any time in the case of (A) failure to file a return, including any  
2231 amended return required pursuant to section 12-226, or (B) a  
2232 deficiency due to fraud or intent to evade the provisions of this chapter  
2233 or regulations [promulgated] adopted thereunder.

2234 (3) In the case of an omission from gross income of an amount  
2235 properly includable therein that is in excess of twenty-five per cent of  
2236 the amount of gross income stated in the return, a notice of deficiency  
2237 assessment may be mailed to the taxpayer at any time not later than six  
2238 years after the return was filed. For purposes of this subdivision, there  
2239 shall not be taken into account any amount that is omitted from gross  
2240 income stated in the return if such amount is disclosed in the return or  
2241 in a statement attached to the return, in a manner adequate to apprise  
2242 the commissioner of the nature and amount of such item.

2243 (4) In the case of a failure to disclose a listed transaction, as defined  
2244 in Section 6707A of the Internal Revenue Code, on the taxpayer's  
2245 federal income tax return, a notice of deficiency assessment may be  
2246 mailed to the taxpayer at any time not later than six years after the  
2247 return required under this chapter for the same income year was filed.

2248 (b) (1) When it appears that any part of the deficiency for which a  
2249 deficiency assessment is made is due to negligence or intentional  
2250 disregard of the provisions of this part or regulations [promulgated]  
2251 adopted thereunder, there shall be imposed a penalty equal to ten per  
2252 cent of the amount of such deficiency assessment, or fifty dollars,  
2253 whichever is greater. When it appears that any part of the deficiency  
2254 for which a deficiency assessment is made is due to fraud or intent to  
2255 evade the provisions of this part or regulations [promulgated] adopted  
2256 thereunder, there shall be imposed a penalty equal to twenty-five per  
2257 cent of the amount of such deficiency assessment. For audits of returns  
2258 commencing on or after January 1, 2006, when it appears that any part  
2259 of the deficiency for which a deficiency assessment is made pursuant  
2260 to [section 12-233] this section is due to failure to disclose a listed  
2261 transaction, as defined in Section 6707A of the Internal Revenue Code  
2262 of 1986, or any subsequent corresponding internal revenue code of the  
2263 United States, as from time to time amended, on the taxpayer's federal  
2264 tax return, there shall be imposed a penalty equal to seventy-five per  
2265 cent of the amount of such deficiency assessment.

2266 (2) No taxpayer shall be subject to more than one penalty under this  
2267 section in relation to the same tax period.

2268 (3) Any decision rendered by any federal court holding that a  
2269 taxpayer has filed a fraudulent return with the Director of Internal  
2270 Revenue shall subject the taxpayer to the penalty imposed by this  
2271 section without the necessity of further proof thereof, except when it  
2272 can be shown that the return to the state so differed from the return to  
2273 the federal government as to afford a reasonable presumption that the  
2274 attempt to defraud did not extend to the return to the state.

2275 Sec. 90. Section 12-481 of the general statutes is repealed and the

2276 following is substituted in lieu thereof (*Effective from passage*):

2277       A motor carrier may give a bond, issued by a surety company  
2278 authorized to issue bonds in the state, in an amount satisfactory to the  
2279 Commissioner of Revenue Services which shall be not less than one  
2280 thousand dollars [nor] or more than ten thousand dollars payable to  
2281 the state of Connecticut and conditioned that the carrier will pay all

3481 seek approval from the Centers for Medicare and Medicaid Services  
3482 for, and shall file a provider user fee uniformity waiver request  
3483 regarding, the user fee set forth in [public act 05-251] sections 17b-320  
3484 and 17b-321. The request for approval shall include a request for a  
3485 waiver of federal requirements for uniform and broad-based user fees  
3486 in accordance with 42 CFR 433.68, to (1) exempt from the user fee

3490 accordance with section 17b-521, regardless of whether such nursing  
3491 home [participants] participates in the Medicaid program and any  
3492 nursing home licensed after May 1, 2005, that is owned and operated  
3493 by the legal entity that is registered as a continuing care facility with

3502 Sec. 141. Section 17b-324 of the 2006 supplement to the general

3504 (*Effective from passage*):

3505 For the fiscal year ending June 30, 2006, any nursing home that

3507 gain in revenue to wage and salary increases provided to the  
3508 administrator, assistant administrator, owners or related party  
3509 employees. For the purposes of this section, "net gain in revenue"  
3510 means the difference between the rate in effect June 30, 2005, and the  
3511 rate in effect on July 1, 2005, multiplied by the number of resident days  
3512 eligible for state payment for the period between July 1, 2005, and June  
3513 30, 2006, less resident day user fees accrued for the period between  
3514 July 1, 2005, and June 30, 2006. The Commissioner of Social Services  
3515 may compare expenditures for wages, and salary increases provided to  
3516 administrators, assistant administrators, owners or related party  
3517 employees for the fiscal year ending June 30, 2006, to such  
3518 expenditures in the year ending June 30, 2005, to verify compliance  
3519 with this section. In the event that the commissioner determines that a  
3520 facility did apply its net gain in revenue to wage and salary increases  
3521 for administrators, assistant administrators, owners or related party  
3522 employees, the commissioner shall recover such amounts from the  
3523 facility through rate adjustments or other means. The commissioner  
3524 may require facilities to file cost reporting forms, in addition to the  
3525 annual cost report, as may be necessary, to verify the appropriate  
3526 application of any net gain.

**OLR Bill Analysis****sHB 5820****AN ACT CONCERNING THE REVISOR'S TECHNICAL CORRECTIONS TO THE GENERAL STATUTES AND THE 2006 SUPPLEMENT TO THE GENERAL STATUTES.****SUMMARY:**

The law requires the state to follow standards set in a federal executive order on minimum recycled content when purchasing paper, subject to specific standards for certain uses and different standards set by the Department of Administrative Services if there is difficulty obtaining the paper. This bill replaces references to a repealed federal executive order with references to its replacement (§§ 189, 190). Both orders require paper with at least 30% postconsumer materials or at least 50% recovered materials that are a waste material byproduct of a finished product other than a paper or textile product that would otherwise be disposed of in a landfill. Under the new order, if enough paper to meet the 30% standard is not reasonably available, paper must be at least 20% postconsumer material.

The bill also makes many technical and conforming changes.

**EFFECTIVE DATE:** Upon passage except for four technical changes (§§ 55-56 and 60-61) that are effective December 31, 2006 and applicable to elections held starting with that date, which matches the effective date of changes to campaign finance provisions made last year.
